## WORK EXPERIENCE

---

### National Youth Congress of Albania

Feb. 2020 – Present

*Policy Officer and Program Coordinator*

*Tirana, AL*

- As Policy Officer and Program Coordinator of the largest youth representative body in the country, I oversee the policy making commissions, analysis, recommendations, lobbying and advocating as well as the implementation of the organization's projects.
  - Multiple agreements achieved with institutions through structured dialogue, for policy changes by representing 140 youth entities of the General Assembly with national and regional developments.
  - Managed funding of 54 projects in implementing the macro program [Tirana European Youth Capital](#).
- Responsible for organising and holding stakeholders' meetings. Representing the organisation in high level international meetings in the European Commission, United Nations in NYC, and other partners.
- Delegate of the National Youth Congress in the European Youth Forum.
- Monitor the implementation of projects that help young people participate in the economy by utilising their creativity and innovation, participate in culture, capacity building and public health.

### Friedrich Ebert Stiftung and Konrad Adenauer Stiftung

Jan. 2021 – Present

*Project Manager*

*Tirana and Berlin, AL, DE*

- Joint contract between FES and KAS in partnership with EuroNews for RinON part of RinVote Series where young people participate in a series of trainings and then in TV debates with main politicians of Albania.
- I coordinate the partners, facilitate the processes of selection, and organisation of the academies and debates.

### Japan's Ministry of Foreign Affairs

Nov. 2019 – Jan. 2020

*Internship*

*Tokyo, JP*

- Internship with the MOFA Japan about utilising my programming skills in decision making processes.

### Albanian Parliament and National Democratic Institute

Nov. 2017 – Sep. 2018

*Consultant Mentee*

*Tirana, AL*

- Responsible for consulting and assisting the commission of Social Welfare in the Albanian Parliament.

## EDUCATION

---

### University of Tirana and Humboldt University of Berlin

Oct. 2021

*Bachelor's degree in computer science and informatics*

*Tirana and Berlin, AL, DE*

- Studied at the Faculty of Natural Sciences in Albania and finished with the last semester in the HU Berlin
- Student activism representing the Student Union in protests and institutional negotiations for better conditions in Albania as well as above-mentioned duties. Continued with sports and organised campus activities periodically.
